

## Fire Certificate Matrix

The matrix below shows the screen surfaces that have passed fire safety standards. If you want a copy of a test certificate, please contact

[info@harkness-screens.com](mailto:info@harkness-screens.com)

An \* indicates the product has been certified to pass the corresponding standard.

An \* indicates that the product has been tested and complies. However, it is the responsibility of the importing company to obtain the certification.
