MAJOR PRO C ELECTRIC

The electric wall/ceiling big screen solution from Harkness Screens

Harkness Screens is a leading specialist projection screen manufacturer, using unrivalled experience and the latest technology to provide innovative solutions for cinema, leisure and audio visual markets worldwide.

MAJOR PRO C ELECTRIC - SIMPLY THE BEST

With the motor integrated inside the roller, the Major Pro C is the smoothest big electric screen solution.

The Major Pro C has a white painted aluminium case and is available in sizes from 5 to 7 metres screen width (16.25 to 22.75ft).

All Major Pro Cs are manufactured to precise customer size requirements.

Application

Major Pro C screens are recommended for big screen solutions in:

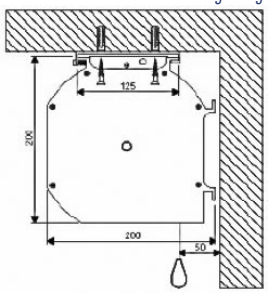
- Boardrooms
- Training rooms and Lecture rooms
- Schools and Colleges
- Leisure and entertainment venues

Construction

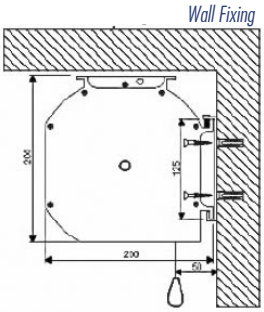
The housing is made from aluminium and is white epoxy painted (RAL 9010).
The roller is a 150mm (6") diameter aluminium tube mounted on two vibration and noise absorbing supports.
The housing provides multiple fixing points, using sliding brackets for a variety of installation options.

Wall / Ceiling Fixing Options - fixing brackets are supplied

Ceiling Fixing



Wall Fixing



Features
