

# PROJECTOR MOUNTINGS AND STANDS

## BT880 - CC MkII FLUSH TO CEILING PROJECTOR MOUNT

The BT880-CC MkII is a flush to the ceiling ball joint bracket with a steel safety wire for extra security. The 90 degree tilt and 360 degree swivel facility is easily adjusted by using the brake screw and Allen key provided. Attractive plastic over plates hide the fixing screws. Illustration shows BT880-CC MkII (left) and mounted in conjunction with BT880 UN2 (right).

(Price does not include projector or any additional mounting)

List Price (£)  
25.00

## BT880 - M and BT880 - L PROJECTOR CEILING MOUNTING OPTIONS

These provide two options for mounting projectors where a high ceiling or void is encountered and are adjustable as described.

The ceiling mounting plate is designed for use on sloping ceilings as well as flat surfaces. There is a tilt facility at the plate making it suitable for angled ceilings.

The length can be adjusted by a lever which allows for the projector to be mounted at a drop of:  
50cm to 75cm (ref : BT880-M)  
and 75cm to 122cm (ref : BT880-L).

It is also at this point where the projector mount can be rotated allowing for a 360 degree swivel.

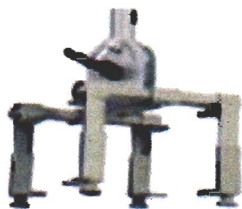

The projector is mounted to the BT880 by using an interface kit (e.g. BT880-UN1, BT880-UN2, BT880-SM2, BT880-SY1 etc).

This is connected to the adaptor plate which also tilts – allowing for maximum flexibility on positioning the projector.

## BT880-UN1 UNIVERSAL PROJECTOR MOUNT

The BT880-UN1 is another version of a universal projector mount.

Both the width and the length can be adjusted, as can the depth of the cradle.

Thumbwheels allow for easy adjustment to get that perfect fit.

Cradle dimensions:

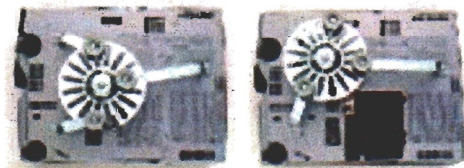

Length	255mm - 399mm
Width	95mm - 230mm
Height	52mm - 101mm

The BT880-UN1 should be used in conjunction with BT880-CC, BT880-M or BT880-L.

(Price does not include projector or any additional mounting)

List Price (£)  
56.50

## BT880-UN2 UNIVERSAL CAROUSEL PROJECTOR MOUNT

The BT880-UN2 Carousel Projector Mount is the latest innovative design. This mount was conceived to accommodate virtually all projectors with mounting holes within a diameter of 335mm.

Supplied with a round Carousel disc, and eight arms (4 short and 4 long), this mount allows for the many mounting variations and is a truly universal projector mount.

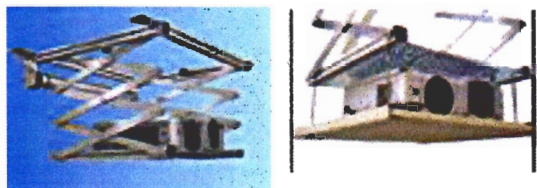

The UN2 comes with the necessary M4, M5 and M6 screws that may be needed to mount your projector.

Using the thumbwheels on the Carousel, it is easy to loosen the arms and move the Carousel disc to replace the projector bulb without taking the projector off the mount.

43.00

## S.I. 100 MOTORISED PROJECTOR LIFT

The S.I-100 Projector Lift is a versatile and innovative installation solution for digital projectors up to 15kg (33lbs) weight.

Designed for installation within false ceilings the S.I-100 is driven by a powerful and near silent motor. The whole system is secure and unobtrusive with the projector, lift and cable hidden from view until required.

### Application

The S.I-100 Projector Lift is recommended for:

- Boardrooms
- Training rooms and Lecture rooms
- Schools and Colleges
- Leisure and entertainment venues
- Public information areas

### Universal projector platform

The universal projector platform accepts projectors with maximum dimensions of 435 x 435 x 230mm (WxDxH) and a maximum weight of 15kg (33lbs).

The S.I-100 is supplied complete with height adjustable false ceiling fixing kit.

## BT890 PROJECTOR TROLLEY / STAND

This easy-to-assemble projector trolley can also be used as a portable lectern. It comes supplied with both braked castor wheels for mobility and fixed feet for extra stability.

### Specifications:

Adjustable Height with castors : 785mm to 1265mm (31" to 49")

Adjustable Height with feet : 785mm to 1265mm (28" to 48½")

Adjustable Tilt : 20° up or down

Max Load : 25Kg

A useful platform is available for the BT890. The BT7030 is ideal for laptop computers. This makes it easy for the projector to be hooked up to the source feed.

The illustration (1) shows the BT890 with the BT7030 and BT7042 Accessory Collar.

	List Price (£)
